Case No. 18-50378 (WJF)  
Chapter 7

ERP IRON ORE, LLC,

Debtor.

**NOTICE OF SETTLEMENT OR  
COMPROMISE**

---

TO: The United States Trustee, all creditors and other parties in interest:

On November 26, 2019, or as soon thereafter as the transaction may be completed and subject to objection under applicable rules, the trustee will settle a controversy as follows:

The trustee alleges that One Source Equipment Rentals, Inc. received \$4,099.86 of avoidable post-petition transfers under 11 U.S.C. § 549. The trustee made demand on One Source in connection with the post-petition payments. One Source has agreed to pay the estate \$3,000.00 to resolve the post-petition transfers within 5 business days after the settlement is approved by the court. In addition, One Source has agreed that any claims it has filed in the bankruptcy case, including Claim No. 62, are deemed withdrawn and no additional claims will be filed for payment of the settlement under 11 U.S.C. § 502(h) or otherwise.

Because the trustee believes the settlement is in the best interests of creditors, the trustee requests that the settlement be approved as the costs of litigation will quickly offset any recovery to the estate.

**OBJECTION: MOTION: HEARING.** Under applicable rules, any objection must be in writing, be delivered to the trustee and the United States Trustee, and be filed with the clerk, not later than 12:00 o'clock noon on the day before the above date. If an objection is made or an order is required, the trustee moves the court for such orders as may be necessary and appropriate. If an objection is timely delivered and filed, the court will hold an expedited hearing on the objection with reduced notice of the hearing. The trustee will schedule the hearing with notice by the trustee to the objecting party and the United States Trustee.
